Dear Select County Superintendents of Schools, Auditors, and Treasurers:

**SECOND SPECIAL APPORTIONMENT FOR NEWLY OPERATIONAL CHARTER
SCHOOLS, FISCAL YEAR 2005-06**

This special apportionment, in the amount of \$11,710,283, has been made in accordance with *Education Code* Section 47652 for fiscal year 2005-06. These funds are, in effect, an advance apportionment.

The amount to be received in this apportionment is for the months of November 2005 through January 2006. This apportionment is the second advance apportionment for newly operational charter schools, and is based on the first 20 days of actual attendance and the educationally disadvantaged pupil counts reported in 2005-06. Charter school administrators, and superintendents and business officers of local educational agencies will receive more detailed apportionment information in subsequent correspondence.

The warrants should be mailed by the State Controller's Office to the county treasurer in approximately two weeks from the date of this letter. The treasurer of each county is requested to immediately deposit the amount received into the fund or account of the participating local educational agency or charter school at the direction of the county superintendent of schools.

A copy of this letter and the amount apportioned to each participating local educational agency or charter school will be made available on California Department of Education's Web site under Principal Apportionments at <http://www2.cde.ca.gov/principalapp/>.

If you have any questions regarding this apportionment, please contact Cindy Chan, Administrator, Office of Principal Apportionment and Special Education, at (916) 324-4541 or by e-mail at cchan@cde.ca.gov.

Sincerely,

JACK O'CONNELL
